Requirements for Earning “Block B”

1. An athlete is required to earn 6 points in order to qualify for a Block B.
2. Being a member of a Varsity team earns 2 points.
3. Being a member of a Frosh-Soph team earns 1 point.
4. A three sport athlete will have earned 6 points by the end of Sophomore year. Multi-sport athletes who play at the Varsity level before their Junior year will qualify for a Block B even earlier.
5. A single sport athlete who plays two seasons of Frosh-Soph and a Varsity season will have earned 4 points by the end of Junior year. The 6 point requirement will be waived for these athletes so they would be able to wear a “Block B” during their Senior year.
